CHOOSE CAUSES YOU WANT TO SUPPORT

Select from hundreds of carefully screened projects that are in line with Sustainable Development Goals set by global leaders. You can give to as many projects as you like.

DECIDE HOW YOUR BUSINESS WILL GIVE

Choose the ways to give that fit best with your way of doing business. 100% of your giving goes directly to the projects you choose. For example:

When you complete a project,
a child receives life-saving water.

When you sign a new client,
a tree is planted to save an orangutan.

When you make a sale,
a mosquito net is given to prevent malaria.

When you send an email,
an orphaned/at-risk child is given a meal.
